

Formation of a Research Data Management Librarian Academy

Jean P. Shipman
VP, Global Library Relations, Elsevier
NFAIS 2019
February 15, 2019

Is there a need for such an Academy?

Why Librarians? ...Why Not?

Librarians:

- Have transferable organizing skills and interests
- Partner with researchers
- Often monitor compliance and impact
- Changing traditional roles
- Are trainers of RDM FAIR principles

RDM Librarian Academy Partnerships

Dr. Elaine Martin

Jean P. Shipman

RDM Librarian Academy Description

- Available online
- English-language
- No charge (without credit)
- Simmons University offering CE credit for a fee; certification
- 8 units; 30 mins. each
- Curriculum developed by librarian peers with expertise in RDM
- Easy way to refine and hone RDM skills and knowledge

Phase 1: Needs Assessment and Training Inventory

Completed over the summer and early fall of 2018

Featured:

- a needs assessment survey via Library Connect
- a competency scan and an inventory of training and formal RDM curricula
- a LIS educator short survey

Research Data Management Librarian Academy Survey

Results compiled 2018-09-08 by
Alyson Gamble, Data Fellow

Phase II: Content Development and Delivery

Develop the RDMLA curriculum via teams of librarian experts

Establish contractual relationships with partner institutions

With Simmons University, establish mechanism for:

- online delivery
- offering CE credits and a certification of completion

RDMLA will be launched in Summer 2019

RDM Librarian Academy Units

Eight Online Units

1. Foundations of Research Data Management (RDM)
2. Navigating research data culture
3. Advocating and marketing the value of RDM in libraries
4. Establishing and managing data services in libraries
5. Project management (as relates to RDM services)
6. Overview of common tools (programming and tools, R)
7. Python, Jupyter Notebook
8. Overview of platform tools (OSF, Mendeley Data et. al.)

How Do I Find Out More About the RDMLA?

- Library Connect article
<https://bit.ly/2r1YHFi>
 - RDMLA GitHub website
<https://rdmla.github.io/home/>
 - Contact the RDMLA partners
 - Conference presentations and posters
 - Email me j.shipman@elsevier.com
